

Mind Mapping Assignment

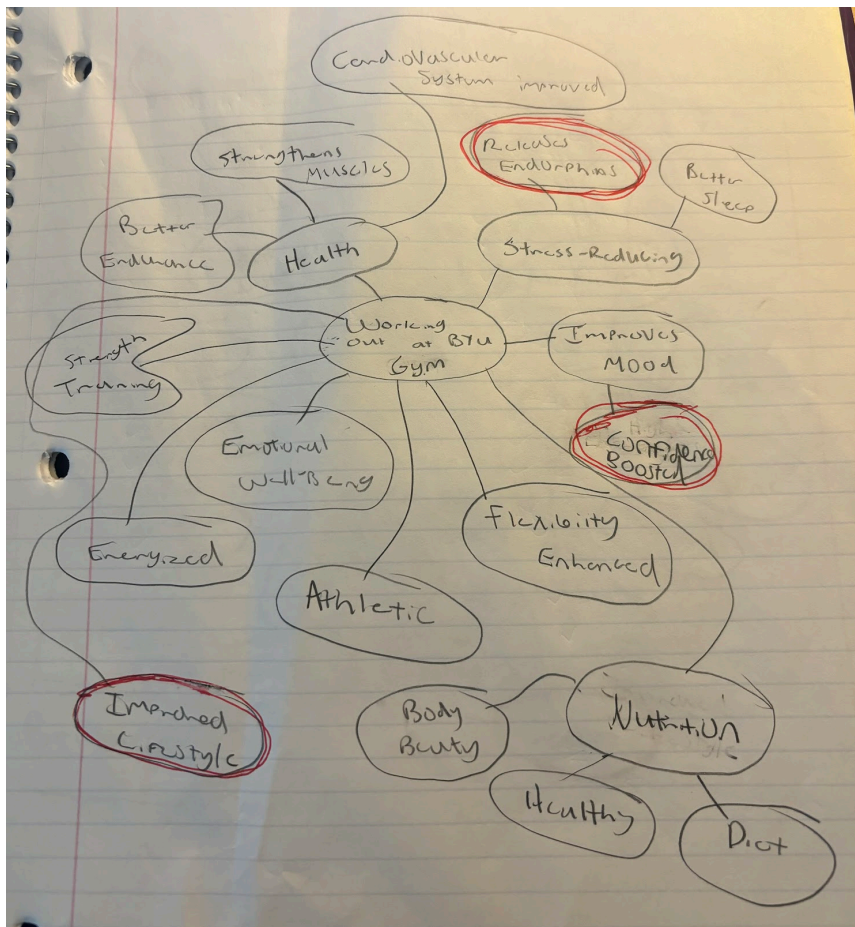

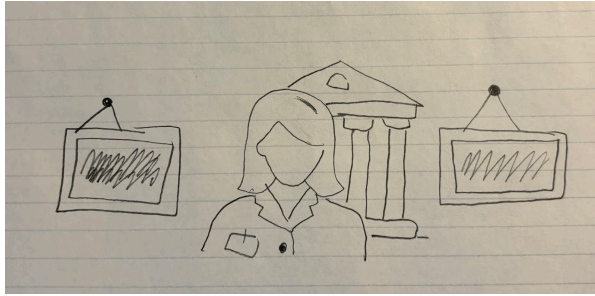

Engaged Activity: Painting

Three Items: Art History, Decor, and Portraits

Possible Role: Museum Curator

Role Description: As a Museum Curator, you would be responsible for curating collections based on artwork of different eras. You would need to have a sharp eye and reasonable knowledge of art history. Also, you can expect to develop exhibitions and other displays that showcase art decor and portraiture throughout history. This would be the perfect role for someone with a natural inclination towards art and all of its different mediums, styles, and techniques. Indeed, you would be helping those who wish to delve deeper into the rich, complex history of art in its many forms!

Napkin Sketch:

Energized Activity: Working out at the BYU Gym

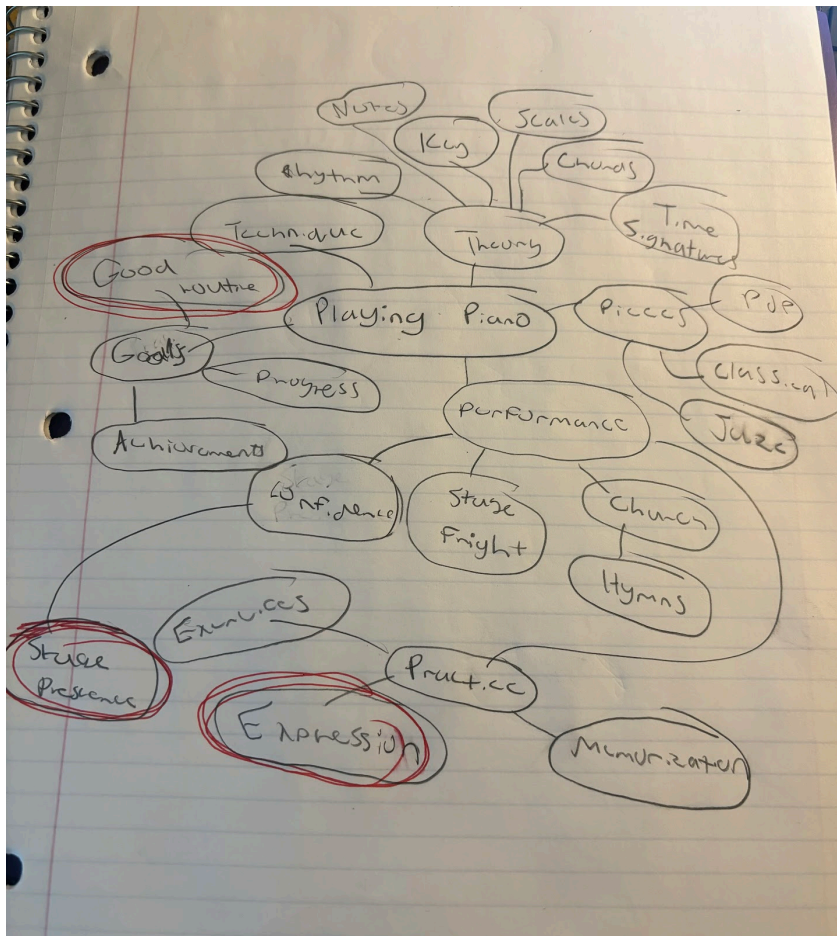

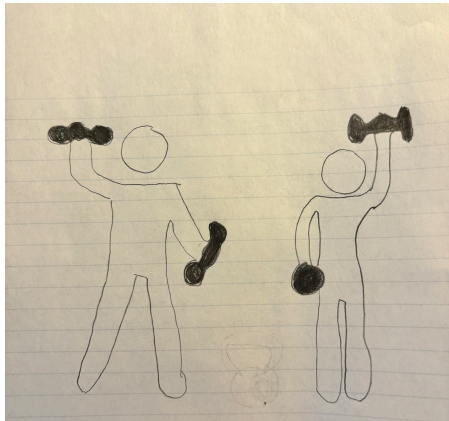

Three Items: Improved Lifestyle, Boosted Confidence, Release of Endorphins

Possible Role: Life Wellness Instructor

Role Description: As a Life Wellness instructor, you would have the wonderful opportunity of creating personalized workout plans for those who are seeking to improve their lifestyle. Your goal would be to boost their confidence by providing training sessions, exercise classes, and wellness programs. The

deliverance of these engaging workshops would promote a higher release of endorphins, leading to elevated happiness levels and improved moods. You can make a change in people's lives!

Flow Activity: Playing Piano

Three Items: Stage Presence, Routine, Expression

Possible Role: Performance Coach

Role Description: As a Performance Coach, you would be responsible for helping those seeking to improve their confidence and presence on stage. Ideally, you would work closely with individuals to develop and refine their routines and expressive techniques while performing. To enhance these performances, your coaching would need to encourage them to showcase authenticity and charm. By doing so, you would be helping to develop the next generation of performers and artists!
